ENVIRONMENTAL POLICY STATEMENT

Shropshire Stainless and Aluminium Limited are leading the industry in minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are;

- *Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- *Minimise toxic emissions through the selection and effective use of its fleet by carefully planning routes for all collections and deliveries.
- *Actively promote recycling of waste material.
- *Sourcing of a European Mill product range in order to minimise environmental impact.
- *Meet or, exceed all the environmental legislation that relates to the company.

The participation and co-operation of all employees and sub-contractors is vital to the success of this policy.

The Environmental Policy Statement shall be communicated throughout the organisation and will be available to other interested parties.
